

BS 28

The continual strip cutter and slicing machine

The BS 28 changes in less than 1 minute from a strip cutter to a slicing machine.

Product features:

- » Continuous product feed
- » Variable belt speed and slice speed
- » Strip blade for strips and flakes
- » Disc blade for slicing
- » Computer controlled

CE All machines fulfil the strictest CE safety and hygiene regulations.

Pictures include some additional equipment.
holac reserves the right to make technical changes in line with advancements in technology.
